How can I participate?

VERY EASILY! Each person that you write a recommendation for should include the Recommendation form in his or her application package.

To participate in the prize draw, the recommended candidate should complete the application process successfully and enrol in the one of EADA’s full time master or MBA programmes. You will receive your number for the prize draw once the 2013-2014 academic year has begun.

The prizedraw will take place on November 30, 2013. The trip will take place in the first six months of 2014.

PRIZE DRAW CONDITIONS AND DETAILS

- Each alumnus/a can recommend a maximum of 5 candidates.
- Prize draw participants will be limited to those alumni from which we have received recommendation forms for candidates. The candidates must be admitted and enrolled in one of EADA’s full time master or MBA programmes.
- For each recommended candidate that enrolls, the alumnus/a will receive one number for the prize draw.
- All prize draw participants will receive their prize draw number once the 2013-2014 academic year has begun.
- The prize draw will select 1 winner to receive:
  - plane ticket to Barcelona for 1 person
  - 2 nights of accommodation
  - 2 tickets (for you and the participant you recommend) to an event in Barcelona during your stay (FCB match, theatre, circus, or another event)
- The prize draw will take place on Wednesday, 13 November 2013 at 17.00 (GMT+1) and participants are welcome to attend.

The prize draw will be carried out as follows:

The prize draw will be carried out on www.random.org to ensure a random drawing. Taking into account the number of names in an Excel file (for example, 200), we will add the numbers 1 to 200. Next, the programme will select a number randomly, which will be matched to the corresponding name.

Then EADA will contact the winner to organize the trip.

The winner will have 1 month from the date that he or she is informed of the results to accept and provide the personal details needed to organize the details of the prize.

- The prize is non-transferable. If the winner is unable to accept, the participants of the first prize drawing will be notified and a date will be chosen for a second drawing to choose a new winner.

EADA is responsible for providing a return plane ticket and two nights of accommodation for the winner. Any modification of these conditions is the responsibility of the winner.

1 The prize for winners living in Barcelona will be limited to 2 tickets to a local event.
