Where will I learn critical thinking skills?

EADA-BARCELONA CITY CENTRE CAMPUS
REAL-LIFE CASE STUDIES, BUSINESS SIMULATIONS, ANALYSIS AND GROUP DISCUSSIONS IN THE HEART OF BARCELONA

In the EADA-Barcelona City Centre Campus, you are consistently placed in real-life business situations, challenged to think like an executive and make strategic decisions. Lively class discussions take place in an engaging, multicultural environment, in which you examine real case studies critically and learn from others as they learn from you. Classes at EADA are small, allowing for the daily exchange of ideas and debate among classmates and the personal guidance from professors that is so critical to our methodology.

Corporate connections

BRINGING BUSINESS INTO YOUR DAY

As an executive training centre, EADA Business School understands that being close to business is one of the central pillars of its activity. To this end, EADA faculty has extensive business experience, which ensures that you will be able to apply what you learn in class directly to your future career.

Throughout the year, core faculty are joined by visiting professionals to provide insight into the challenges they face and explain how concepts introduced in class are being applied in companies today. International alumni guests enrich this perspective further by sharing how they have applied their EADA learning post-graduation.

Dr. Xavier Sales

“Strategic thinking is important in all areas of life, personal and professional. We help our MiM students integrate this strategic mindset into the management and decision-making process in all areas of the organisation.”

Refuerza tu visión internacional y amplía tu red de contactos en una de nuestras 25 prestigiosas escuelas asociadas en África, Asia, Europa, Latinoamérica y los Estados Unidos o realiza una doble titulación, con EDHEC, EBS y HHL.

**VISITAS A EMPRESAS**

Las visitas a empresas te permitirán conocer de primera mano cómo operan las organizaciones y cómo los ejecutivos abordan los cambios en su entorno de negocios. Barcelona es el entorno perfecto para ver cómo funcionan diferentes empresas, pues convergen grandes multinacionales con start-ups muy punteras e innovadoras.

**CONFERENCIAS**

Podrás asistir a conferencias presentadas por expertos, que te permitirán conocer las mejores prácticas del sector en áreas como e-marketing, e-business y estrategia.

**TRABAJA EN UNA START-UP O CONVIÉRTETE EN EMPRENDEDOR**

El proyecto final te ofrece dos formas innovadoras de aplicar todo lo aprendido durante el programa convirtiéndote en consultor de una start-up o desarrollando una idea de negocio para crear una empresa. El proyecto te permitirá hacer frente a situaciones reales y a construir una estrategia de acuerdo con las oportunidades del mercado.

**INTERNATIONAL WEEKS**

Las International Weeks constituyen una oportunidad ideal para el networking y elegir optativas impartidas por profesores invitados procedentes de nuestra red de escuelas de negocios asociadas, así como por directivos con una destacada experiencia en la materia.

**INTERNATIONAL SCHOOL**

Tendrás la oportunidad de realizar una semana de formación en el EADA Collbató Residential Training Campus durante la cual realizarás simulaciones de negocios y visitas a empresas. Te unirás a un selecto grupo de estudiantes de master procedentes de otras escuelas asociadas, lo que te permitirá incrementar tu red de contactos a nivel internacional.

**PROGRAMA DE INTERCAMBIO**

Las International Weeks ofrecen a los estudiantes la oportunidad de realizar un programa de intercambio, que se realiza con nuestras asociadas en diferentes países. Te permitirán ampliar tu visión internacional y conocer el entorno de negocios de diferentes culturas.

**Dominio de la lengua inglesa**

La introducción de contenidos académicos en lengua inglesa se realiza paulatinamente desde el inicio del programa para que en el tercer trimestre los participantes tengan un dominio completo de la lengua inglesa y de este modo poder unirse con el grupo International Master in Management.

Los participantes asistirán durante el primer y segundo trimestre al Business English Programme (BEP), un curso intensivo de inglés que les permitirá elevar su nivel de inglés a uno de los dos siguientes:

Preparing for life in Barcelona

At EADA Business School, we know that it can be a challenge to relocate to a new city, and we do everything we can to make the transition as smooth as possible. With this in mind, we offer:

- A Virtual Campus where you can get to know your future classmates.
- Up-to-date, practical information about the basics like healthcare and accommodation.
- A 30-hour beginning Spanish course to help you get around Barcelona.
- Exclusive rates for local services (gyms, language schools, etc.).

Barcelona: a place to live, study and grow

The EADA Business School campus is located in the Barcelona city centre, just a 10 minute walk from Plaza Catalunya and the most famous of Gaudi’s buildings.

PREMIER ENTREPRENEURIAL HUB
Innovative government initiatives have simplified the process for starting a company and established tax benefits for start-ups, making Barcelona one of the premier entrepreneurial hubs in Europe.

FOREIGN INVESTMENT
Catalonia is the headquarters of more than 5,000 foreign companies, with 90% of them based in the Barcelona metropolitan area. Most foreign companies have been in the area for 10 years or more, demonstrating a high degree of stability and return on investment.

WELL-CONNECTED
Barcelona is the gateway to southern Europe, the transport capital of the Mediterranean area, a bridge to the Maghreb and a platform to Latin America. Companies with headquarters in Barcelona can supervise markets all over the world.

Admissions process

What we are looking for

The admissions process aims to select well-rounded candidates who will not only excel on the programme, but also add value, contribute meaningfully and help create a learning environment in which all the participants on the programme can reach their full potential.

We seek to fill our classes with the most promising students in terms of motivation, commitment and growth potential. In addition to an overall motivation to excel in the programme, the ideal candidate will demonstrate a commitment to teamwork with leadership potential.

Successful candidates tend to possess the following qualities, which are closely related to growth potential: open-mindedness, flexibility and adaptability.
Julissa Espinoza, Peru

“At EADA, I developed my ability to work with people from different cultures and learned how to adapt to different situations, important skills for both my personal and professional success.”

Volkan Bektimur, Turkey

“I chose EADA because of the diversity in the classroom. This gave me the opportunity to get to know different cultures and points of view.”

Sneha Varghese, India

“The teaching methodology at EADA is very practical. I worked with real-life scenarios every day.”

Marc Alegría, Spain

“EADA is the perfect combination of dynamic and academic classes. Before finishing my Master, I already had a job.”

Yannick Kpodar, United States

“Now when I am looking at a problem, I am able to go to the root cause, make a clear decision and make an action plan to solve the problem. What you learn at EADA will help you for your entire life, wherever you go.”
